Leaving a legacy at Whiteford

Kris Hubbard has announced the 2019 softball season will be her final year as the Bobcat softball coach. Hubbard started the program in 1979 and is the only coach the Bobcats have had in the sport for 41 years. Through those seasons, Whiteford has won 851 games, 11 Tri-County Conference titles; 23 District championships; 13 Regional championships; have been state runner-up three times and have won three state championships. In future years, this softball invitational will be known as The Kris Hubbard Invitational.
